RENEWED RULE 47(A) PETITION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants renew their petition under Rule 47(a) to accept the above application. In the decision of December 1, 2006, the Attorney Advisor indicated that Applicants had complied with items 1, 3 and 4 of Rule 47(a) but not with item 2. She indicated that a copy of her letter to Mr. M. Lenardon and an English translation had not been provided but it was provided as can be seen from the return receipt card filed herewith. Another copy is being provided herewith for her convenience. Another copy of the return receipt card is filed with an English translation of the Italian words thereon. The letter identified the application by their reference indicator, namely -216- and the postal receipt had been signed. Therefore, it is believed Applicants have complied with portion (2) for inventor M. Lenardon.

With respect to inventor E. Trifoni, Applicants are submitting a copy of the April 12, 2006 e-mail and an English translation thereof. Therefore, it is clear that the application was received and you have Ms. Tuosto's statement that the documents have never been returned by Mr. E. Trifoni and that he has refused to return other applications submitted for signature. Therefore, it is deemed Applicants have complied with item 2 of Rule 47(a) and acceptance of the application is requested under Rule 47(a).

Respectfully submitted,
Hedman and Costigan
